		License Plate Readers	Working on city permitting with vendor Flock

3	**Committee Reports**		
	a. Membership (Lori Sterling)		No update on membership; may address again in Fall 2026.
	b. Security (Mark Snead & Solomon Schoonover)		No updates on Isles and mainland – mostly quiet with limited comments from residents
	c. Communication (Mark Snead & Nancy Messing)	Magazine publishing deadline 6/25/2026.	Lori suggested write-ups for “Bubbles & Blooms” and “Golden Hour Grooves” – plus photos. Discussion about articles on dangers with E-bikes - with Broward General and Memorial Hospital – advertorial.
	d. Disaster (JJ Rajter)	No report	
	e. Social	Report on recent two events (Bubbles and Blooms and Golden Hour Grooves).	Both events were well received. Evan to assist with entertainment resource for future events – recommendation of soloist from Quarterdeck. Possibly thinking about turning events in series.
		Halloween and Holiday event dates	Christmas event targeted for 12/5; considering same entertainment as last year, but may consider others (Quarterdeck soloist??). Oct 23 considered for movie night…also considering music for this event since event is getting larger.
4	**Old Business**	Updates on parking issues related to construction jobs and updates on e-bike regulation revisions (the public meeting held on June 11).	Milos with the City compliance expects both e-bike regulation and construction parking to be priorities for the City in coming year. Lori suggested that RVCA document what it believes would be good standards for enforcement. City concerned with Parks and main thoroughfares, but have ignored needs of interior neighborhoods. Lori suggested all members make suggestions for e-bike rules before next meeting – to be brought up to city Commission in August.
5	**New Business**	Python Sighting	Recent sighting in the neighborhood; Lori has gathering appropriate protocol for future sightings, and will distribute to neighborhood
