

Rio Vista - June 2021

City of Fort Lauderdale’s Transportation and Mobility Department has created a summary of neighbor requests, major current projects and neighborhood organizations initiatives that are actively addressed during the month. The report will be sent to the neighborhood organizations on a monthly basis to continue to provide updates as needed.

Neighborhood Association Initiatives:

Traffic Study for Speed Humps:

- SE 11 Court between Cordova and Federal Hwy.
Referenced **Q-Alert 651985**
- Cordova Rd between SE 7 St. and SE 9 St.
Referenced **Q-Alert 663479**
 - As of June 7, 2021, Broward County informed that due to their current heavy work load, the collection of traffic data has not been completed. Broward County Traffic Engineering advised that they will collect the data and provide the summary to the City by the end of **October 2021**.
 - **Speed/Volume studies will not be collected during Summer Break.**

Rio Vista Pavement Markings Striping:

- Upon completion of the existing work in Rio Vista, the Road Services Team will schedule a timeline for the pavement markings to be refurbished.

Additional Stop Signs Traffic Study:

- SE 7 St. and SE 11 Ave **Q-Alert 457600**
- SE 11th Court and Cordova Road 3- Way Stop **Q-Alert 669826**
Broward County’s new timeline for the traffic study results is July 2021.
 - As of July 7, 2021, Broward County has communicated that the Traffic Engineering Division finished the traffic data collection and field reviews. Currently, the traffic and crash data are being analyzed/summarized and the study results should be received by the end of July.

Transportation Q-Alerts:

Transportation Q-Alerts are requests that pertain specifically to the safety and enhancement for traffic related issues. The City’s Q-Alert process allows neighbors to enter a request for consideration for new traffic calming, repairs and/or replacements for existing City property that may have created a safety hazard, or to initiate a preventative measure.

Completed/Closed Requests:

- The department received a report for a down Stop sign at SE 9 Ave and Ponce De Leon Dr.
 - A request was created and presented to Broward County’s Dispatch crew, who immediately responded and replaced the down sign.
Referenced **Q-Alert 777676**
- A neighbor shared that a Stop sign located at 875 SE 9 Ave. was leaning/falling.
 - Broward County Dispatch crew was alerted and the sign was addressed the same day.
Referenced **Q-Alert 780036**

Rio Vista - June 2021

Neighborhood Construction Impacts:

Below is a list of current projects in your neighborhood that may cause impacts to the transportation network. These impacts refer to any level of work that is in the City’s right-of-way that may impact access to a road or sidewalk. For questions regarding projects in your neighborhood, please contact the listed project manager for the corresponding project.

Maintenance of Traffic Vicinity Map:

Rio Vista: Community Investment Plan (CIP) for SE 6th Ave. from SE 5th St. to Rio Vista Blvd.

- The project will improve safety for all users along SE 6th Avenue around the Henry Kinney Tunnel. It will include a raised crosswalk just north of SE 6th Street, a speed hump just north of SE 5th Street, and a raised intersection at SE 6th Avenue and Rio Vista Boulevard. **Fiscal Year 2021- 2025**
 - The objectives of this project is to improve pedestrian, bicyclist and vehicular safety.

GENERAL INFORMATION:

For additional information, including the submission of a new request, or status of an existing request, feel free to visit the listed resources below. Please note you can also call in to present a request. City staff will respond to the call, create a request based on the need and route to the corresponding department for immediate action.
